How to Nominate

- proposer and seconder.

- The proposer is to summarise the nominee's personal achievements that have impacted on OBSLSC.
- It is important that the nomination is specific to the nature of the individual's achievements.
- The nomination should provide substantive evidence to support the claims (authoritative sources should be used to validate claims)

NB – A list of roles that an individual has held is insufficient in demonstrating the significance of that individual's service.
